

PLOTS 434 & 435 NORTH BEACH, JOLLY HARBOUR
US\$1,200,000.

Located North Beach, Jolly Harbour Antigua • Beachside

A rare offering of two adjoining beach fronting plots in Jolly Harbour, also having canal access for private yacht moorage (see map). These two parcels are the largest building sites along the white sandy beach of the Jolly Harbour community. Sited near the shopping centre, restaurants, 18 hole golf course, marina and boat yard, and of course the leeward secluded beaches of Antigua. The site is fully serviced with community water, electricity, sanitary sewer, concrete roadway, telephone, internet, and cable television. The plots are cleared and level, allowing for gentle beach access and ease of construction. Also, the location is superb as this is an area of very unique, very high end homes, yet offering full privacy.

Beach front property

Short drive to grocery store, local restaurants and bars
20 minutes by car to the capital St. Johns
35 minutes by car to VC Bird Airport
