

REED'S POINT • JOLLY HARBOUR PLOT

US\$950,000

Located on a hillside with ocean view - in Jolly Harbour

This is a spectacular building lot with over 19,000 square feet situated in the prime location of Reed's Point. The plot is situated on the south slope of Reed's Point in the exclusive development of Jolly Harbour Marina on the West coast of Antigua. The plot offers a complete view of the magnificent turquoise Caribbean Sea, as well as breathtaking views across to the volcanic island of Montserrat. The plot also looks on to the Jolly Harbour community. The plot is a wonderful canvas for a designer and architect to create a magnificent Caribbean home.
